

## Policy & Economic Alliance Caring of Earth

# PROJECT REPORT

October 2018 – March 2019

## Programme: Forest

The program aims to promote and support sustainable forest and wetland management to conserve ecology, biodiversity and mitigate climate change. The Forest Programme provides a wide range of technical services and activities related to forest and biodiversity assessment and management at the local and national levels. The programme also focuses on protecting and preserving environmental resources as well as providing a sustainable alternative livelihood options to local communities. This program is driven by participatory, process-oriented and science-based approaches to addressing environmental issues.

## R&D for Survivability of K-Tree In Guinea-Conakry

PEACE in collaboration with African Economic & Ecological Modernization Sphere (African - EEMS) and Government of Guinea are working to protect and restore 100,000 hectare of degraded forest.

First phase of the project started on 1<sup>st</sup> November 2018 with establishing research & development of K-Tree in Guinea-Conakry. A technical team of 10 persons from Thailand along with fifteen (15) K-Tree young plant arrived Guinea Conakry on 1<sup>st</sup> November, 2018 received by Minister of Agriculture and Minister ALFA OUSMANE (Special Adviser to the President).

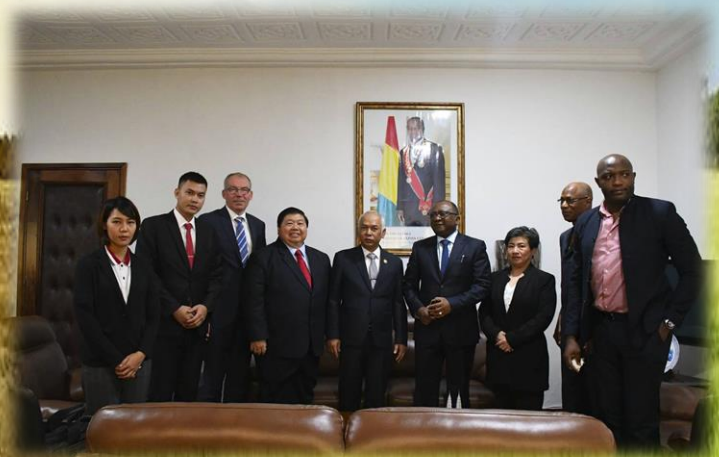

On the 2<sup>nd</sup> November, 2018, the team conduct a briefing of the prototype project to the relevant ministers and we start the plant preparation work and site protection set up on 3<sup>rd</sup> November, 2018. Finally, on the 4<sup>th</sup> November, 2018, we planted 15 K-Trees in a specially protected area in the Republic of Guinea Conakry.

Phase 2 of our partnership with the Government of Guinea is aims to upgrade and expand the Phase 1 like R&D Plant nationwide.

The duration for R&D for Survivability of K-Tree in Guinea-Conakry is 3 years. PEACE sponsor US\$36,000 to initiate the project in November 2018, and agreed to co-sponsor US\$25,000 each year for the next three years.

**Signing of cooperation agreement & preparation work and site protection set up.**

**TOGETHER**

LET'S PRESERVE AND RESTORE THE WORLD'S FORESTS
